Stars for our Troops is always in need of retired flags with Embroidered Stars. The only flags we can use are AMERICAN made 3'x5' with Embroidered Stars. If you locate several flags, you may cut outside the hem of the canton/blue field and mail only the uncut blue section of the flag with the white header showing it is American made, giving the stripes to any veteran organization, scout troop or any Elks Lodge. We do not use any flag that does not say Made in the USA.

Your donations encourage Stars for our Troops as we prepare and share Stars with our Military, Veterans and First Responders. Your return address allows us to send you a Thank You note with 2 pouched Stars to keep and share.
